*Piccadilly* was my first Cavalier and the love of my life for almost 13 years. He arrived from England in 1984 in a beautiful handmade wooden kennel at 4 months old. He became my constant companion in all my pursuits. He was an exceptional bird dog and flushed and pointed dove, grouse and quail. Piccadilly's breed name is Maxholt Special Love Story, and when we met 19 years ago, a very special love story began. Besides capturing my heart immediately, he led me into the world of dogs and inspired me to become a sculptor, a talent I never dreamed I had. During this time, I was a family therapist in private practice.
